COMMUNICATION

SUBJECT: II Lusitano Horse Exhibition

Dear Sirs,

The Lusitano Horse Exhibition has as its main objective the Lusitano Stallion Grading. However, the APSL always endeavours to provide its members, breeders and the general public with a number of other activities connected to the Lusitano Horse.

Due to the high number of horses registered for the Lusitano Stallion Grading, the APSL was forced to change the Programme, which is attached.

In this regard, we apologise for any inconvenience, but the high number of entries forced us to do so.

Best regards.

Estoril, 15th January 2025

The President of the Board of Directors

João Pedro Rodrigues
